

Weekly Camp Special Playshops

Belle Vie Farm Playshops are special creative experiences that aim to offer small groups of campers an opportunity to engage with a specific craft or art method. Each week offers 5 Playshops, and each camper can choose up to two each week. Playshops are not a requirement! Choose one or two if you'd like, or none if that is your preference. Campers will spend 45-60 minutes each day in their Playshop. If your camper begins a Playshop and decides it's not for him/her, no problem! He or she can join the rest of the group. During registration online, you'll have a chance to check which Playshops you'd like to join.

June 15-19

Crochet

Wool felting
