

2024-25 Afternoon Adventures Cancellation and Refund

All cancellations that are eligible for a refund will receive a Belle Vie Farm credit which can be used for any group programs (not birthdays) within 1 year of the start of the canceled session.

Cancellation refunds will be allowed for a session if requested in writing (email is fine) 20 days or more prior to the start date of the session. This gives us time to fill the spot from the wait list. Please be aware that a phone call, text or voice mail are not sufficient communication methods to cancel your registration.

If we are able to switch your child to another session during the 2024-25 year (if there is space), we are happy to do so.

We do not offer refunds/credits for absent or missed days.

Refunds/credits are not given for activity changes due to inclement weather. Weather conditions are out of our control. Staff will do their best to inform parent of any changes as soon as possible. Because we have an indoor facility available to us at our site next door, weather cancellations are extremely rare. Tornado/ice or snow/extremely high winds forecasts are the kind of weather issues that might trigger a cancellation.

We know these policies can sound strict. Please understand that Belle Vie Farm begins purchasing materials for classes well in advance of each session. When you register is when we begin planning for your child's attendance!
